

# FINTECH LONDON:

## IS LONDON LEADING THE GLOBAL FINTECH RACE?

**LONDON**™  
& PARTNERS

AND

**STREETS**  
CONSULTING

**London & Partners**, the Mayor's promotional organisation for London, and **Streets Consulting**, the business development, marketing & communications consultancy supporting UK and international financial services & technology firms, are proud to host a key FinTech event during London's first Technology Week.

On Thursday 19th June at 9am **Kit Malthouse**, Deputy Mayor of London for Business and Enterprise and Chairman of London & Partners, will open the conference offering his perspectives on the current and future state of London's FinTech sector.

The event will include two panels with pre-eminent speakers from London's accelerator/ incubator schemes and the investment community exploring how London's FinTech industry competes and compares globally, how London's entrepreneurs can build international businesses, and offering views and perspectives from an investor's standpoint.

**Confirmed speakers include:** Nektarios Liolios, startupbootcamp; Claire Cockerton, L39; Bindi Karia, Silicon Valley Bank; Matteo Rizzi, SBT Venture Capital; Gren Manuel, Financial News; Julian Skan, Accenture and Ophelia Brown, Index Ventures.

**When:** 19th June 2014  
**Times:** 8:30am - 11:30am  
**Where:** London & Partners, 2 More London Riverside, London, SE1 2RR  
**Contact:** [info@streetsconsulting.com](mailto:info@streetsconsulting.com)
